

## TeeJet Streamjet Variable Rate Tips

The SJ3-VR line of variable rate fertilizer spray tips feature a variable diameter orifice that produces a wide range of flow rates - it's like having 5 tips in one. This allows for a wider range of ground speeds and/or application rates from a single tip for improved productivity. These tips are also ideal for variable prescription map applications. The elastomer orifice design provides consistent flow rate performance while utilizing a simple, reliable design with no springs or moving parts.

### TeeJet Variable Rate Streamjet Tips

DESCRIPTION	PART #
Streamjet Variable rate tip	SSSJ3VRX1.0
